Bruce D. Nagel Architect and Betty Wasserman Art & Interiors

site East Hampton, New York.

standout The living area's Vladimir Kagan sofas and the dining area's Christian Liaigre chairs and André Joyau table flank a fireplace retained from the farmhouse originally here.

Shamir Shah Design

site Stratton, Vermont.

standout A barnlike mountain retreat gains sophistication from the interior's refined use of walnut and stained oak and the exterior's meandering granite retaining wall, a tribute to artist Andy Goldsworthy.
